The party and the government has always attached great importance to the three rural issues. In recent years. the CPC Central Committee consecutive issued Document No. 1. stressed solve the three rural issue is the extreme importance of farmers' income. Plenum shortly before closing again stressed the need to continue to solve the three rural issues as the top priority of the party's work. and do everything possible to increase farmers' income. Currently. China's agricultural structure adjustment made significant progress in the rural economy developed steadily. However. the development of agriculture and rural economy. there are still some problems. prominent farmers' income is difficult still. If you do not increase the farmers 'income. not only affect the farmers' living standards improve. but also restricts the development of the rural economy. affecting the entire

Reviews

This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
