

Crimson Poison

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Nosy Crow Jun 2016, 2016. Taschenbuch. Book Condition: Neu. 197x130x23 mm. Neuware - It's the end of term and Nat Walker is in the mood to celebrate with her best friend, Wen. They're heading downtown on their Sliders (skateboard-shaped, electrically powered hoverboards with pop-up handlebars. The Slider was invented by Beijing Bikes top engineer, Liu Lee, using the same principles of motion as the classic hovercraft from the 20th century) for a Slamburger (the ultimate Yanbian beefburger created by top Hong Kong chef, Shen Slam. Shen's signature toppings are legendary, with Slamburger winning Best Hong Kong Burger, as voted by Big Dragon News, for the last five years in a row) when a call comes in on Fizz, Nat's dragon-robot and constant companion. Designed and built by her dead father, Fizz is Nat's link to the past and gateway to the future. He tells her that a mysterious package is waiting for her at the postal depot - a package that contains a crimson petal. This petal will take Nat and Fizz on a long and dangerous journey to face pirates in Borneo and wolves in Mongolia. And worse. But Nat's ultimate challenge will be back at home as she fights to protect her independence and find out more about her dead parents. Was it an accident that killed them, or something more sinister 224 pp. Englisch.
