Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Physicians Manual of the Pharmacopeia and the National Formulary: An Epitome of All the Articles Contained in the U. S. P. (Eighth Revision) And the National Formulary (Third Edition) The Pharmacopeia. - The Pharmacopeia is a book fixing standards for the identity, purity, strength and quality, and giving directions for the preparation, valuation, compounding and preservation, of drugs, chemicals, medicinal substances and their preparations. Originally compiled in 1820 by a convention of physicians, it is revised decennially by a Committee on Revision composed of chemists, pharmacognosists, pharmacists and physicians elected by a convention, which meets each decennium in Washington, and which includes delegates from medical and pharmaceutical societies and colleges and from the medical departments of the Army, the Navy and the Public Health and Marine-Hospital Service. While the United States Pharmacopeia has been the legal standard for drugs through pharmacy acts in a few individual states, it did not become a legal standard for the United States until January, 1907, at which time the Food and Drugs Act went into effect. National Formulary. - ...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.*
