## ON MY OWN

Xlibris Corporation. Paperback. Book Condition: New. Paperback. 446 pages. Dimensions: 8.7in. x 5.9in. x 1.2in. I have decided to tell the story of my life. I intend to include information about my parents and my brother, and as I recall various events, I will include stories about other relatives and friends as well. We were an especially close family and our lives always revolved around one another. I believe this closeness was fostered by the love my parents had for each other, and they passed this love to each of us. We always did the best we could. But they gave us the chance and the backing we needed. Especially because Tommy and I were deeply loved by our parents, we gained confidence and assurance. We knew where we stood from the beginning. And we could always count on Mom and Dad for anything we needed. In addition, my parents deeply loved their families. They passed on this love to us through their close relationships with their brothers, sisters, cousins, and relatives in Italy and Romania, as well as their many friends. Family came first all through our lives. There may have been disagreements, but they were only occasional and the closeness returned. We were always thrilled to receive letters from the relatives overseas and the letters were read word for word to each other. I always felt part of the larger family, even though I did not understand the language. My mother interpreted for us, so we knew what was said and what the news was. Since my brother Tommy died so suddenly on November 14, 2003, I...
