## REMINISCENCES OF A STOCK OPERATOR

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Reminiscences is a fictionalized account of the life of the securities trader Jesse Livermore. Despite the book's age, it continues to offer insights into the art of trading and speculation. In Jack Schwager's Market Wizards, Reminiscences was quoted as a major source of stock trading learning material for experienced and new traders by many of the traders who Schwager interviewed. The book tells the story of Livermore's progression from day trading in the then so-called New England bucket shops, to market speculator, market maker, and market manipulator, and finally to Wall Street where he made and lost his fortune several times over. Along the way, Livermore learns many lessons, which he happily shares with the reader.
