Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book consists of twelve chapters, the first five being expository in character, while the remainder of the volume seeks to apply the principles of Eucken s philosophy to some of the central problems, social, educational, and religious, of modern life and thought. Is nature (that is, the world of matter seen in the light of science) the true basis of reality, of which spirit, if it be allowed to exist at all, is a by-product? Or is spirit the source and fundament of all reality, nature being ultimately dependent upon an invisible world? This is the great alternative (pp. xi-xii). But if the whole of a philosophy is to be built around the antithesis of nature and spirit, if its central purpose is to establish the independent existence and the...
