Raised by a single parent in the impoverished south side of Chicago as the youngest of five children, Farrah Gray defied the odds to become a millionaire at the age of fourteen. He made his second million by sixteen and now inspires thousands through his speeches, writing, and consulting. His recipe for success: attitude, hustle, and an emphatic rejection of the most pervasive lies most of us believe about money and success. In *Get Real, Get Rich*, Farrah breaks down those seven lies one by one. Have you ever thought to yourself I ll never be rich because I wasn t born with connections, or a special talent?
