Guess nobody told him you don't take cash from killers without savage consequences. Now, the Grizzlies Motorcycle Club owns my sister and I. We're only alive because the rugged hulk with the piercing eyes who won't stop ordering me around says so. He saved us, but he's also an enigma I don't understand. Why does he keep calling me his old lady? Is he really the light to our darkness? And why the hell can't I stop thinking nasty, shameful things about ending up underneath his wicked tattoos and crude lips? BRASS I claimed her on impulse, and all my brothers laughed. Didn't know I'd end up with a smoking hot spitfire who looks at me like I'm the devil himself. I expected my reputation to crack, but my damned mind's going with it. She's got me questioning my own club and asking myself every single day how long I can keep my hands off her. It was only pretend, a way to keep her safe. But I can't ignore the very real brutality, corruption, and danger stalking us. Just like I can't forget the storm in my blood that won't stop howling til she's wearing my brand and bracing for my kiss. Play time's over. Missy's gonna be my old lady - no more faking it - and nothing's standing in my way.
