A modification of them has since been published, consisting of two sheets of problems, representing 7 Woody, C. Measurements of Some Achievements in Arithmetic. Teachers College, Columbia University Contributions to Education, No. 80, pp. 3-22. all four of the fundamental operations upon one scale.8 Since norms for the scales in this form have not yet been published, we gave them not only to the pupils of the experimental room, but also to those other rooms of the same grade in the building that afforded the control group already described. Scale I was given in all the rooms on February 1. Scale II was given to the control rooms on February 9, and to the experimental room on February 12. The results have been scored in two ways: (1) by finding the number of problems correctly solved within the time-limit of 20 minutes, and (2) by computing the time in seconds required for one correct solution. Tables XVI-XIX show these scores for each scale.
