Are We There Yet?: A Comprehensive, Easy to Use Guide to Successful Teaching

By MR Graham Taylor

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you want a book that bulldozes through all the nonsense, all the smoke and mirrors of teaching, as presented by many of the teaching education experts , then this book is for you, regardless of which subject you teach. It is simple, direct and not concerned with complicated ideologies. Each section in my book provides straight forward, honest basics on how to do the job in a no-nonsense way that produces results. I have been teaching for almost twenty years and I have seen a lot of different fads, flavours of the month, styles, ideas and theories put forth, which have then been discarded and replaced by whatever new radical idea has been dreamed up by some expert or another, usually preceded by a cabinet reshuffle or a change of government! But throughout that time, my own approach has remained, largely, unchanged. The ideas, principles, practices and strategies that I use now are basically the same ones that I used during my early years and I use them for two reasons: 1. Because they work! 2. Because...
