## CLAIMING GROUND

[DOWNLOAD](#)

Vintage Books, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Quietly powerful Bell's writing elegantly balances pain and love, solitude and family ties, finding solace both in human relationships and in relationships to animals and the Western landscape. Big and open-hearted like the Wyoming sky, this memoir is a pleasure to read." -Catherine Hollis, Sacramento Book Review " [Claiming Ground] can be savored for the lyricism of its language, its insight into a distinct American region, and as a meditation on physical work and the role it played in one woman's life." -Julie Foster, Minneapolis Star Tribune "Redolent of wide-open spaces and valley bottoms where beasts find water in reedy swamps sheltered by cottonwoods [Bell] writes so honestly and beautifully that I dared not skip a word for fear I'd miss another moment of grace or insight. This is a book to savor, and to read and reread." -Lois Atwood, The Providence Journal "Open, honest, strong and unflinching." -Leslie Doran, The Durango Herald "Part lyrical remembrance of a deeply intense relationship with nature in a sweepingly majestic landscape, part unswerving self-analysis, Claiming Ground delivers both beauty and unabashed reflection. But it is not only a looking back; it is a guidepost to the possibilities ahead-the surprises that await us down our own trails." -Linda Stankard, BookPage "Claiming Ground more than holds its own against any survivor narrative of failed love and misplaced ambition, against any epic quest for understanding and mercy and in language so tempered, spare and beautiful that it rivals any poem's. Worth is rarely the measure of a book's success, but if ever a memoir deserved to be a bestseller, Claiming Ground surely does." -Margaret Renkl, Nashville Scene "Bell's extraordinary ability to impart a true sense of place on each page reveals a stark and stunning landscape populated with a playbill of peculiar personalities attracted to...
