By William J. Bennett

SIMON SCHUSTER, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Millions of American families have turned to The Book of Virtues and The Moral Compass by William J. Bennett for moral guidance in troubled times. Our Sacred Honor offers inspiration and instruction as well.this time of a particularly American sort. The lessons it contains are especially welcome. We live in a time when the practice of representative government in the United States of America is under siege from both the left and the right. Scandals abound. We are first shocked, then wearied, to learn that our national leaders have feet of clay. We live in a time, in short, which demands that we return to our origins to discover the common principles that make us essentially American. Our Sacred Honor reveals those common principles. They are articulated by the flawed but deeply admirable men and women who first wrote what it is to be American. The pledge made by the Founders to one another that hot July day in 1776the pledge of our lives, our fortunes, and our sacred honor has been redeemed many times in the...

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
