New Falcon Publications,U.S. Paperback. Book Condition: new. BRAND NEW, Post Modern Logic, Constantin Virgil Negoita, What are the strange connections among the Christian coalition, Aristotelian logic, the foreign policy of the U.S. government, the Knights Templar, the attacks of 11 September 2001, and the confiscation of the author's apartment? This is an extraordinary book. It's history. It's philosophy. It's Post Modern Logic. Powerfully argued, it is an introduction to new discoveries which contribute to understanding the Templars and their Anglo-American roots. Marvelously exciting, delightful to read, with dash, vibrancy and simplicity that compels the reader. One of the most provocative works in post modern history.
