Brilliance Corporation, United States, 2011. CD-Audio. Book Condition: New. abridged edition. 140 x 127 mm. Language: English . Brand New. With the holidays over and the long cold winter looming, January can be a bleak month in Minneapolis. So what better way to bring a little cheer to the good people of the city than by sponsoring an old-fashioned snowman-building contest? In a matter of hours, a local park is filled with the innocent laughter of children and their frosty creations. But things take an awful turn when the dead bodies of police officers are discovered inside two of the snowmen sending the entire department and Detectives Magozzi and Rolseth on high alert. The next day, Iris Rikker, the newly minted sheriff of rural Dundas County, comes across another body in another snowman. Fearing that Rikker's inexperience will hamper the investigation, Magozzi and Rolseth head north in a blizzard to hunt for clues. As Grace MacBride and her crack computer jocks at Monkeewrench comb the Web for connections, a terrifying link emerges, connecting the dead cops, Magozzi and Rolseth, and Monkeewrench a link that must be broken before it's too late.
