Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

CYBER SHOCK

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Cyber Shock, Tommy Donbavand, Alan Gibbons, Natalie Packer, Mark was holding his knee. His trousers were torn, and I expected to see loads of blood where he'd cut himself - but there was none of that. Mark's skin was ripped back and, inside his knee, there was a long, metal bar and loads of coloured wires. Al loves hanging out with his new friend Mark Tenby at school. Some of the other students think he's a bit odd, but Mark and Al have so much in common. It isn't until a game of football goes wrong that Al starts to understand quite how odd Mark really is. Why does he have wires where his knee should be? And why does he keep getting calls from 'Mother'? This sci-fi mystery is written by Scream Street author Tommy Donbavand. *Help Key Stage 3 students move from Level 3c to Level 3b in reading. *Support comprehension with the bold, age-appropriate illustrations. *Encourage shared and guided reading using the ready-made tasks and discussion points on the activity pages at the back of the book. * Suitable for Key Stage 3 students with a reading age of 8 years and 6 months.
