Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.
(Prof. Loyce Runolfsson Jr.)

Createspace, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Just Go, Go, Go! - Become a Wonder-fuelled company by following the radical ideas of Alec Wonder, Super-Consultant, widely recognized as: .the grease on the cogs of industry. Just Go, Go, Go! is the antidote to all those pretentious business books. In this book you will come across radical ideas and home truths about business through the warped mind of fictional business guru Alec Wonder, a failed and pompous consultant who has helped some of the world's best known, and sadly missed, companies. Covering topics such as teamwork, motivation, communication, sales, process improvement, quality, corporate power and the environment, Alec Wonder blows apart the theories, and gets to the core weaknesses of popular management techniques. His own bizarre theories such as Teamliness, Motorvation, and Estimaflation are hilarious - and yet brutally true. Just Go, Go, Go! also contains over 100 gems of business wisdom to enlighten your day, such as The sh*t will always hit the fan, stay away from the fan. Case studies in the book demonstrate how Alec Wonder has turned his bizarre theories into success (for Alec, not his clients). Just Go, Go, Go! is for anyone who has worked for a psychotic boss, with an overpaid consultant or suffered from the latest management theories. Students of business should read this book in order to treat theories with the right level of suspicion. Business managers should read the book to look for warning signs in their own company that they are heading down the Alec Wonder dead-end. Through humor and satire Alec Wonder points out some realities of business and the reader learns from his mistakes and disturbing ideas. Alec wonder is a...
