Saunders, United States, 2015. Online resource. Book Condition: New. 2nd. 229 x 152 mm. Language: English . Brand New Book. HESI/Saunders Online Review for the NCLEX-RN Examination, 2nd Edition, provides all of the aspects of a traditional print comprehensive review book, but with the convenience and added interactivity of the online format. The comprehensive online review provides key nursing content organized by content specialty areas and NCLEX Client Needs, with a reference list for nursing concepts. A diagnostic pre-test taken at the beginning of the course provides students with a study calendar to guide them through the content modules. Each module is followed by a quiz to determine students mastery of the content. A comprehensive exam at the end of the course gives students a breakdown of their strengths and weaknesses. A wealth of illustrations, video, audio, and animation helps to clarify key concepts and engage students as they study for the course exams and prepare to take the NCLEX. Trusted content from the bestselling Silvestri NCLEX titles and HESI live review courses is featured in a convenient, interactive, and flexible online format. Content review modules include bulleted topic summaries, key terms and definitions, practice questions, and case studies—as well as images, animations, and video clips. All alternate item question types are represented to give you practice with mastering prioritizing, decision-making, and critical thinking skills. Diagnostic pre-test identifies your strengths and weaknesses and generates a study plan tailored to your specific needs. End-of-module and comprehensive exams provide a “dry run” for course and board exams. Detailed test-taking strategies and rationales for each question provide clues for analyzing and uncovering the correct answer option. Video clips feature experienced nursing instructors explaining difficult concepts along with corresponding sample questions. NEW! Updated content reflects the most current NCLEX-RN test plan as well as clinical updates and medications. NEW! Content functionality enables...
