The Smart Method Ltd. Paperback. Book Condition: New. Paperback. 380 pages. Dimensions: 11.3in. x 8.3in. x 0.7in.This book is very, very different to any other computer book you have ever read. The Smart Method provides an entirely new and better way to learn ASP. NET, C and Visual Studio. Here are just four of the many ways in which this book is unique: This book will give you the vital first step towards a career in web development without confusing with unnecessary complexity. Users who wish to learn more complex techniques can progress to the Expert Skills book. Instruction is logically structured into sessions and lessons. While this makes the book ideal for self-instruction, you can also use it to run your own, highly effective, adult training courses. Every lesson is presented on two facing sheets of A4 paper (the pages are much bigger than in any other ASP. NET book). Along with programming skills, this book teaches best practices that are often ignored by other books. Youll immediately appreciate the value and relevance of each skill as it is taught. Both IT professionals and absolute beginners will love this book because it avoids needless technical jargon and concisely explains everything you need in a simple and no-nonsense way.
